NEWS RELEASE

Primary Metals Announces New Director Stock Options Granted

September 7, 2006

Symbol: PMI – TSX Venture

Primary Metals Inc. ("Primary" or the "Company") is pleased to announce that Mr. António Corrêa de Sá has joined the Board of Directors of the Company.

Mr. Corrêa de Sá, a qualified mining engineer, worked for Beralt Tin & Wolfram (Portugal) S.A., a wholly-owned subsidiary of Primary, for 15 years - first as General Manager and later as Managing Director. Beralt is the operator of the Panasqueira tungsten mine, which is owned outright by Primary. Since leaving Beralt, Mr. Corrêa de Sá was the Managing Director of Somincor, the operator of EuroZinc Mining Corp.'s Neves-Corvo copper mine, for six years. He was appointed Somincor's non-executive Chairman in July 2005, a position he held until recently.

Mr. Corrêa de Sá will work closely with Primary Metals and Beralt on improving mining activities at Panasqueira and assessing new opportunities.

The Company has granted Mr. Corrêa de Sá a five-year option to purchase 50,000 common shares at an exercise price of \$2.88 per share in accordance with TSX Venture Exchange guidelines and the Company's stock option plan ("the Plan"). The options will bear a four-month hold period and are subject to vesting provisions over an 18-month period, in accordance with the terms of the plan. The option agreement and Mr. Corrêa de Sá's position as director are subject to regulatory approval.

Primary Metals Inc. is a TSX Venture listed company, which owns 100% interest in the Panasqueira tungsten mine in Portugal. The Company has recently reported earnings of C\$0.99 per share for the financial year ended March 31, 2006 and C\$0.14 per share before non-cash income taxes for the first quarter ended June 30, 2006 (C\$0.10 per share after non-cash income taxes).

NEWS RELEASE

Primary Metals receives US\$380,000 for past debt settlement

October 23, 2006

Symbol: PMI – TSX Venture

Primary Metals Inc. ("Primary" or the "Company") is pleased to announce the receipt of US\$380,000 from S.A. Minera Regina en Liquidación ("Minera Regina") in settlement of certain past debts. Minera Regina was previously a subsidiary of the Company with tungsten properties in Peru and funds had been loaned to Minera Regina before it declared bankruptcy several years ago. The loans had been fully written down at that time and the current payment has been received as a result of reactivation of Minera Regina by an unrelated third party.

Primary Metals Inc. is a TSX Venture Exchange listed company, which owns 100% interest in the Panasqueira tungsten mine in Portugal, currently producing wolframite concentrates containing some 100,000 MTU's of tungsten trioxide per annum. Further information about the company is available on the company's website at www.primarymetals.ca and under the company's profile at www.sedar.com.
